To stain wood rose wood color
Take a little agafortan and turn over
the wood quick then rub it with sand
paper to take of the burnt look and
polish; another take ale or porter
and put in it a rusty nail and
let it lay a while then ~~rub~~ put
it on the wood with a brush lightly

To curl Fethers

Heat them gently before the fire
then with the back of a knife
applied to the fethers they will
be found to curl quickly and well

Sailed Bark Anwarhonts

Thursday Sep 6 about 9 o'clock got under way with every prospect of a storm and a head wind towards noon it cleared of Sled at the same time the Polar Star the Milton and Javor the Polar Star took the lead we came next about four o'clock the Pilot left us and with him Mr Joseph Wing Capt Frankherlin Wing Capt Pelig Wing Capt Fisher and Mr Gordon and some others I did not know ~~but~~ soon after dark George and I went to bed neither of us sick enough to vomit

~~Friday~~ ~~Friday~~ This day light wings with 5 sail some in sight the Milton Javor and two humpback strange sail are astern and the Polar Star of our larboard beam and ~~prospect~~ this afternoon about four o'clock we past a vessel sunk with one suspicious mast broken off and sticking out of the water, ^{about 2 foot} she was not on the bottom John says we past

nearly over it but could only see something white John says he could not tel what kind of a vessel it was

8
Saturday

This day very pleasant with a pleasant breeze the Milton and Gavy stil in sight there has ben three strange sails in sight, all hands busy getting the boats ready for whaling

9
Sunday

This day very pleasant with strong breeze the Milton not a grate ways off but the Gavy just in sight

10
Monday

This day cloudy with a strong breeze Milton and Gavy stil in sight

11
Tuesday

This day very pleasant with very light winds Milton and Gavy stil in sight

12
Wednesday

This morning it was a perfect calm right away after breakfast Capt Phiney come on board it soon began to breeze on it grew rugged so fast he left about half past

11 O'clock he had only time to get on board before it blowed a living screamer

13
Thursday

This day very pleasant but strong winds

14
Friday

well it began to pore last night in the night and has continued to beary all day but no wind the Milton

and Govey out of sight a head
Saturday ¹⁵ This day squally this afternoon
caught two dolphins

¹⁶ Sunday This day almost a calm this
spent part of the forenoon
in overhalling the letter bag
this afternoon the boats have
ben of practicing to pull and
such a piece of work as they
made I never saw

¹⁷ Monday this day a perfect calm this morning ^{John and} I
washed and I had a wash for I had not
done any since I left home this after
noon I have ben cutting out shirts for
John George has caught to-day 13 fish
of one kinde and a dolphin that was
over three feet long some one had to
help pull him in it tickled the
old cook ~~awfully~~ ^{wonderfully} to see him

¹⁸ Tuesday This day very pleasant with a good breeze
we have past one sail to day a topsail
schooner I have ~~isored~~ ^{tyard} to day and am

¹⁹ Wednesday part of this day squally

²⁰ Thursday This day pleasant with strong wind

²¹ Friday This day calm this afternoon lowered
for black fish chas but to no affect

²²
Saturday This morning about 2 o'clock raised
a firm whale lowered and the mate
struck one the first Iron missed but

Sat the second held for a while the
35, 25 other boats could not get near him
N he ran some 6 miles to windward
and then the Iron drew and
perhaps it is best that it did for
Son the other boats had lost sight of
42 35 them and if they had held on
W they might all have been lost but
we lost some 60 lbs of Oil This day
strong breezes

To-day I have finished the fixings
for our boat I have made a cover
for her to go all around and covered
it with light moose skin she will look
nice and no mistake
